### INDIVIDUAL LIGHTS: >>> **Most can be pointed toward ceiling, dance floor, or wall behind DJ**

<b>White Moonflower Effect</b>	spins 30 bright rays of white light in a hypnotic, slow motion (very elegant)
<b>Color Moonflower Effect</b>	spins 30 rays of colored lights quickly back and forth (more active)
<b>"Avenger" Club Light</b>	waves 20 bright multicolored lights around room (moves to music)
<b>"Bird of Prey" Club Light</b>	like 2 Avengers in one (waves 40 extra bright multicolored lights) (moves to music)
<b>"Tango" Club Light</b>	like 2 Avengers in one (waves 40 extra bright multicolored "lines") (moves to music)
<b>"Vertigo" Club Light</b>	spins 40 bright multicolored lights around room (moves to music)
<b>Strobe Light</b>	flashes bright light very fast (used sparingly as can be overwhelming to some)
<b>Laser Light</b>	projects morphing patterns on floor, wall, or ceiling (best in dark area)
<b>Pinball Effect</b>	spins black ball around with many small holes in it and bright light shining through
<b>Acid Beam Effect</b>	projects large psychedelic spinning circle on wall or ceiling with moving colors
<b>Small Mirror Ball (w Spinning Stand + Spotlight)</b>	- small Disco effect (counts as ONE item, stands on table)

<b>Mirror Ball (w Spinning Motor + Spotlight)</b>	- popular Disco effect (counts as TWO items, requires Exc. Pkg)
<b>Superfly Effect</b>	2 Pinball effects spinning opposite attached to a spinning base (counts as TWO items)
<b>Cosmos Effect</b>	Giant sphere with 60 colored lenses going in every direction (counts as TWO items)
<b>Lighted Dance Platform</b>	8 multi-colored panels flash different patterns to the music, 2' x 4' (counts as 2 items)
<b>Fog Machine</b>	*** blows unscented fog to make lights look great (counts as TWO items) *** see below
<b>Bubble Machine</b>	*** blows bubbles out across dance area (counts as TWO items) *** see below

\*\*\* It is YOUR responsibility to verify that Fog or Bubbles are OK with venue - some don't allow, or require permission
